

I am Me and I deserve to feel safe!

When we are out and about it can be a bit scary and sometimes other people notice our disabilities or how vulnerable we are feeling.

Read this booklet to help you to stay safe when you are away from home, family and friends.

What if I get lost?

Sometimes when we are out and about, we stop to look at something or lose sight of the people we are with.

This can be really scary, feeling that we are on our own without anyone to help us.

We might start to:

- Cry
- Panic
- Ask someone who might not be safe for help

Who should I tell?

Safe Places is a scheme in Telford and Wrekin that offers lots of safe places to anyone who is lost or feeling scared.

You will know that it is a safe place, because you will see this logo.
